Fred Moyer Jazz Trio, February 20, 3 PM

What can be called the only jazz group of its kind, the Fred Moyer Jazz Trio dazzles with stunning musicianship and a unique approach to jazz. Like other small jazz ensembles, the trio performs its own arrangements of standards from the great American Songbook. But what sets it apart from all others is its note-for-note transcriptions of great jazz trio performances from the past. Fred and friends painstakingly transcribe every note of favorite historic recordings, and then bring the resulting scores to life as would a chamber music ensemble playing Bach or Beethoven, infusing the music with their own vitality and interpretations. The result is a swinging celebration of the best in jazz, delighting both classical music lovers and long-time jazz enthusiasts.
